Welcome to Montage!

We offer ballet, hip hop, tap, jazz, contemporary, lyrical, creative dance, and funk styles to children, teen, and adult dance classes and is the home of Montage's Youth Performing Company, The Triad, Adult Hip Hop, and Adult Contemporary Dance Company. Part of the curriculum includes workshops by guest choreographers and the opportunity to perform at the Montage Studio Showcase and other Montage sponsored events. We're looking forward to creating other opportunities to promote our love of dance and the dance community.
